**RE: Housatonic River Clean Up / Project GreenSweep - Saturday April 30, 2022**

Dear Friend of the River,

I am very excited to announce the preparation for the 34<sup>th</sup> Annual Housatonic River Clean Up is underway. With the combined efforts of Project GreenSweep again this year we will be able to cover more area and result in our river, city and towns being much cleaner.

Your continued support allows for our program to be a success. The cleanup efforts help keep the river clean, and allow our community to continue to safely enjoy our river's natural beauty as well as to protect the plants and animal species that dwell in its estuaries.

Our cause is over 550 volunteers strong with representation from Milford, Shelton and Stratford. The efforts begin at the Derby dam and end at the mouth of the Housatonic River. The event will take place on **Saturday, April 30, 2022, from 8:00 am and 2:00 pm** at the Birdseye Boat Ramp in Stratford or Sunnyside Boat Ramp in Shelton. I hope you will be able to join us as we kick off the 32nd Housatonic River Clean up.

Because of your donation and the support of local volunteers, past years we have been able to remove over 22 tons of garbage from the river. Your donation allows us to provide the bags, gloves, t-shirts, and food for the volunteers.

Donations can be made in any domination and any form. Items such as cleaning supplies (gloves, bags, etc.) and refreshments (food, water, coffee, soda etc) are very much appreciated. Donations of \$300.00 or more in value will have the Donor's logo printed on our volunteer shirts and year round banner.

Please contact Scott Mitchell at the Boardwalk Marina 860-946-9889, reach out via [HRCUteam@gmail.com](mailto:HRCUteam@gmail.com), or call Tommy Boisvert at 203-233-1134 if you have any questions, would like to coordinate items for donation or would like a sign to place on your lawn to help promote the clean up day.

Thank you in advance for your generosity and support.

Sincerely,

*Scott Mitchell*
